Case No. 12-cv-02730-VC

## ORDER GRANTING MOTION FOR PROTECTIVE ORDER

The motion for a protective order is granted. It is obvious that these cases will require the		
exchange of material whose contents must be kept confidential. Indeed, the plaintiffs have already		
sought discovery of the contents of the personnel files of United employees. The defendants are		
directed to submit proposed orders in each of the coordinated cases based on the Northern District		
of California's model protective order, with the only change being the addition of the "attorneys'		
eyes only" designation they've proposed. The parties are ordered to meet and confer about		
categories of documents and other discovery materials that may be shared between cases and		
submit a stipulation by August 27. The plaintiffs may file a supplemental brief, not to exceed 5		
pages, in response to the court's order to show cause by August 20.		

## IT IS SO ORDERED.
